TO THE PUBLIC.

In consequence of the numerous place, and having heart astablishing induced to change the form of my bot itse. In future, the Panaces will be put up in round buttes, fluted longitudinally, with the following words blown in the glase, "Swaim's Panaces.

These bottles are much stronger than those hereofore used, and will have but eds label, which covers the cork, with my own signature on it, so that the bork cannot be drawn without destroying the signature, without which destroying the signature, without which destroying the signature, without which disease in any form could make such disease in any form could make such and the disease in any form could make such and the course in any form could make such and the disease in any form could make such and the disease in any form could make such and the disease in any form could make such and the course in any form could make the

ance which beggars description; that disease in any form could make such inroads on the human system without producing death, is as astonishing as t is wonderful. She informs me that it is wonderful. She informs me that in June, 1818 a tumor formed immediately below the knee, which was an tremely painful, the uneasiness and swelling of it caused her so much slarm, that she applied to a medical gentleman for relief. The tumor o pened, and was succeeded by many others, until the whole limb was covered with larms convending places. vered with large corroding ulcers — Medical skill was entirely unavailing

cossive months, until about five years after shows first attacked with the disease, when as she was riding the horses ran away, overturned the car riage threw her out, and gaused compound fracture of the hip. Under this accumulation of misery and suf-fering she lingured two years. Her bones and integuments were laid bare large pieces of the remaining flesh she had were constantly shoughing out, and her situation was wretched and pitiable beyond comparison, cheered by no ray of hope, doomed to wear a way a miserable existence, and hourly wishing for death. She was told by some of her friends that Swaim's Pa naces would, if any thing could, re lieve her Mrs. Applegate consented to remove, and did remove to Philadel-phis; this removal was with difficulty accomplished, and she remained, as you may recollect, under your care for about two weeks Being at the end of about two weeks Being at the end of that time convalescent, she returned home. It is impossible to express the astonishment created by her return in the minds of all who had seen her during the seven years of her sufferings. She was soon, to general admiration, restored to perfect health

Thus, Sir, by the use of your Pana cas, which is acknowledged to be one

cea, which is acknowledged to be one of the richest gifts bestowed on suffer ing humanity—this unfortunate woman was restored to health and use fulness. Three years have elapsed since Mrs A was cured, since that rates all the vital principles and func

ions of humanity.
This case should be published—it is your interest to publish it.& it is for the benefit of the whole human family, that such astonishing and well authenticated facts be made known;although,perhaps to those who are already acquainted with the virtues of Swaim's Panacea, it may not be necessary, yet believe me there are yet numbers entirely ig-norant of its many virtues, and powerful restorative properties, who are la ease, text for their benefit alone such cases should be made as public as pos-sible.
